Step 1: Identify your organization

Write your organization's license number, name, and address. Also, complete the information in the right-hand column.

Step 2: Identify your supplier

Write the license number, name, and address of your supplier. If you have more than two, please attach a separate sheet of paper.

Step 3: Figure your tax due

Value of prizes awarded – the amount of all cash prizes awarded, including door or attendance prizes, and the cash value of any merchandise or bingo cards awarded as prizes.

Number of bingo players – the total number of bingo players for each event.

Gross proceeds – the receipts from each event. According to the Bingo License and Tax Act, "gross proceeds" includes the charge, in whatever form, for playing bingo.

Line 1 – Write the total number of prizes, players, and gross proceeds from your bingo event.

Line 3 – If you have a credit you wish to apply toward your tax, write the amount of your credit on Line 3. For each credit memorandum, write the credit memorandum number and amount of credit on the line provided. Be sure to attach the original credit memorandum to your return. We will not accept photocopies.

Line 4 – This is the total amount of tax you owe. If you do not file a processable return or pay the tax you owe by the due date, you will owe additional penalty and interest. We will bill you for penalties and interest. If you prefer to figure these amounts, see the most current Publication 103, Uniform Penalties and Interest, because application of penalties and interest may be different depending on when your return is due. Include the penalty and interest amounts on Line 4. Please identify how much is penalty and interest to the left of Line 4.
